Brown Church Robert Chao Romero, 2020-05-26 Foreword INDIES Book of the Year Finalist Interest in and awareness of the demand for social justice as an outworking of the Christian faith is growing. But it is not new. For five hundred years, Latina/o culture and identity have been shaped by their challenges to the religious, socio-economic, and political status quo, whether in opposition to Spanish colonialism, Latin American dictatorships, US imperialism in Central America, the oppression of farmworkers, or the current exploitation of undocumented immigrants. Christianity has played a significant role in that movement at every stage. Robert Chao Romero, the son of a Mexican father and a Chinese immigrant mother, explores the history and theology of what he terms the Brown Church. Romero considers how this movement has responded to these and other injustices throughout its history by appealing to the belief that God's vision for redemption includes not only heavenly promises but also the transformation of every aspect of our lives and the world. Walking through this history of activism and faith, readers will discover that Latina/o Christians have a heart after God's own.

Santiago's Road Home Alexandra Diaz, 2020-05-05 "With every chapter, readers will be further immersed in Santiago's story as they root for his triumph over injustice." —Booklist (starred review) "With unflinching conviction, Diaz sketches a frank, brief account of refugee youth in an uncaring bureaucratic system." —Kirkus Reviews (starred review) "Harrowing but deeply illuminating." —School Library Journal "Diaz's crucial narrative shines a disconcerting light on the plight of children in US detention centers along the southern border." —Publishers Weekly (starred review) A young boy gets detained by ICE while crossing the border from Mexico to the United States in this timely and unflinching novel by award-winning author Alexandra Diaz. The bed creaks under Santiago's shivering body. They say a person's life flashes by before dying. But it's not his whole life. Just the events that led to this. The important ones, and the ones Santiago would rather forget. The coins in Santiago's hand are meant for the bus fare back to his abusive abuela's house. Except he refuses to return; he won't be missed. His future is uncertain until he meets the kind, maternal María Dolores and her young daughter, Alegría, who help Santiago decide what comes next: He will accompany them to el otro lado, the United States of America. They embark with

little, just backpacks with water and a bit of food. To travel together will require trust from all parties, and Santiago is used to going it alone. None of the three travelers realizes that the journey through Mexico to the border is just the beginning of their story.

I am Cat Jackie Morris, 2014-12-16 A cat sleeps, curled up in a warm place, and while it sleeps it dreams. . . of being a tiger, flame cat of the forest; a cheetah - fast as the wind on the African plains; a lion, lounging through the heat of the day, tangled in sunshine on the African savannah; a jaguar, perfectly camouflaged deep in the jungle. And the cat dreams of being a lynx, a puma, a snow leopard, a Scottish wild cat, an Asian fishing cat, and the rare Amur leopard. Finally Cat wakes, a domestic cat again, telling his dreams to the child who is stroking him. Ten wild habitats, ten wild cats and one domestic cat are dramatically and beautifully illustrated in this unique celebration of the cat.

Narcoland Anabel Hernandez, 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, Narcoland has been a publishing and political sensation in Mexico. The

definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the “war on drugs,” which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico’s government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Nineteen Eighty-Four George Orwell, 2021-01-09 *Nineteen Eighty-Four: A Novel*, often published as 1984, is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, *Nineteen Eighty-Four* centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Portrait of a Young Painter Mary Kay Vaughan, 2015-02-16 In *Portrait of a Young Painter*, the distinguished historian Mary Kay Vaughan adopts a biographical approach to understanding the culture surrounding the Mexico City youth rebellion of the 1960s. Her chronicle of the life of painter Pepe Zúñiga counters a literature that portrays post-1940 Mexican history as a series of uprisings against state repression, injustice, and social neglect that culminated in the student protests of 1968. Rendering Zúñiga's coming of age on the margins of formal politics, Vaughan depicts midcentury Mexico City as a culture of growing prosperity, state largesse, and a vibrant, transnationally-informed public life that produced a multifaceted youth movement brimming with creativity and criticism of convention. In an analysis encompassing the mass media, schools, politics, family, sexuality, neighborhoods, and friendships, she subtly invokes theories of discourse, phenomenology, and affect to examine the formation of Zúñiga's persona in the decades leading up to 1968. By discussing the influences that shaped his worldview, she historicizes the process of subject formation and shows how doing so offers new perspectives on the events of 1968.
