In this padded board book, a parent declares her love...as the bees love a flower, a duck loves a shower, a bird loves to sing, a bear loves the spring. Written by Newbery-award-winning author Marion Dane Bauer, inspired by the poem by Elizabeth Barrett Browning, and with pictures by Caroline Jayne Church, illustrator of the bestselling *I Love You Through and Through*.

**¿Por qué? 101 Questions About Spanish** Judy Hochberg, 2016-10-20 *¿Por qué?* 101 Questions about Spanish is for anyone who wants to understand how Spanish really works. Standard textbooks and grammars describe the what of Spanish - its vocabulary, grammar, spelling, and pronunciation - but *¿Por qué?* explains the why. Judy Hochberg draws on linguistic principles, Hispanic culture, and language history to answer questions such as: Why are so many Spanish verbs irregular? - Why does Spanish have different ways to say you? - Why is h silent? - Why doesn't Spanish use apostrophes? - Why does Castilian Spanish have the th sound? Packed with information, guidance, and links to further research, *¿Por qué?* is an accessible study guide that is suitable for Spanish students, instructors, native speakers, and the general reader. It is a valuable supplementary text for serious students of Spanish at all levels, from beginning to advanced. *¿Por qué?* also covers topics usually left to specialized books, including the evolution of Spanish, how children and adults learn Spanish, and the status of languages that co-exist with Spanish, from Catalan to Spanish sign language to the indigenous languages of Latin America.

**Cronica de Un Reencuentro** Oscar Silva, 2012-09 Hay veces que pienso: ¿qué es lo que yo pienso? Otras me pregunto: ¿qué es lo que yo siento? Cuando tú te marchas luego de chatear, me quedo mirando las últimas letras del último beso que tú me dejaste antes de partir. ¿Qué es lo que pretendo? ¿Qué más puedes darme que este amor virtual? Son letras que juntas se agrupan, se mandan en forma de bits, desde mi pantalla caen hasta la tuya, y así continúa un amor digital. Me quedo mirando las últimas letras del último beso que tú me dejaste al irte a dormir. Para acurrucarte donde corresponde en cálido abrazo de un amor real. Me siento un ingenuo pensando, sintiendo, que, acaso, te tengo, que me perteneces de alguna manera. Cuando lo que tengo es sólo un teclado del que brotan letras que forman palabras y que, amontonadas, en forma de bits, saltan de una punta a otra del planeta, con besos, caricias, con tiernos deseos de un amor virtual.

**Romantic Love in Cultural Contexts** Victor Karandashev, 2016-12-24 This volume presents a conceptual, historical, anthropological, and sociological review of how culture affects our experience and expression of romantic love. What is romantic love and how is it different from and similar to other kinds of love? How is romantic love related to sex and marriage in human history and across contemporary cultures? What cultural factors mediate attraction in love? These are some of the questions the volume explores through its interdisciplinary yet focused lens. Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people, in various historical eras, and in all the world's cultures. Yet, love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel, think, and behave in romantic relationships. This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting-edge research that has advanced the field. Divided into three parts, the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world, focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally, the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature, *Romantic Love in Cultural Contexts* delivers thought-provoking insights to researchers in relationship scholarship, sociology, anthropology, and cultural studies, and all those interested in the universal human concept of love. Overall I find Dr. Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross-cultural research and of anthropology. In our increasingly connected world *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures. Romantic love encompasses the life span, rather than being a phenomenon largely confined to youthful years. The topic of this project concerns the deepest of our sentiments and pervades life from birth to death. This book contributes to better knowledge of this phenomenon across generations.
