**The Emotion Code** Dr. Bradley Nelson, 2019-05-07 I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The Emotion Code has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones.—Tony Robbins In this newly revised and expanded edition of The Emotion Code, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of trapped emotions—emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your "emotional baggage," and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, The Emotion Code is a distinct and authoritative work that has become a classic on self-healing.

*Kafka on the Shore* Haruki Murakami, 2005-01-18 NATIONAL BESTSELLER • From the New York Times bestselling author of *The Wind-Up Bird Chronicle* and one of the world’s greatest storytellers comes an insistently metaphysical mind-bender” (The New Yorker) about a teenager on the run and an aging simpleton. Now with a new introduction by the author. Here we meet 15-year-old runaway Kafka Tamura and the elderly Nakata, who is drawn to Kafka for reasons that he cannot fathom. Reading Murakami ... is a striking experience in consciousness expansion.” —The Chicago Tribune

Ripped Katy Evans, 2014-12-09 The fifth book in the New York Times new adult series that began with *Real*. When an angry, heartbroken girl is forced to be near her rocker ex-boyfriend, only time will tell if the fire between them will consume them both. Pandora, the gothic friend of Brooke (*Real*, *Mine*, *Remy*) and Melanie (*Rogue*), thought that getting her heart broken by her bad boy rocker ex could only happen once. But now, he’s back in town with the biggest concert of the year.

Pandora hates him so much that she gets Melanie to come with her and play a prank on him at his gig. But when they're caught by security, and her ex himself is summoned, Pandora is not prepared for the feelings that seeing him again—beautiful and in the flesh—awaken in her. She's also wholly unprepared for the conditions his manager sets in order for her and Melanie to be released; especially since these conditions only allow Melanie to return home, while at the same time, they put Pandora in perilously close contact with her ex again. The torturous physical closeness between them reignites the passion they once shared, and soon no matter how much she wants to hate him, it's clear she's still hung up on him. And worse: he knows it too.

The Wild K. Webster, 2017-08-02 I brought them to the wilderness because we couldn't cope with our reality. The plan was to make a new life that didn't include heartache. No people. No technology. No interference. Just us. A chance to piece together what was broken. But the wilderness is untamed and harsh. Brutal and unforgiving. It doesn't give a damn about your feelings. Tragedy lives there too. No escaping the truths that won't let you go. All you can do is survive where love, no matter how beastly, is the only thing you can truly count on. Confusing. Wrong. Twisted. Beautiful. Sick. Love is wild. And we're going to set it free. WARNING: The Wild is an extremely taboo story. Most will find that the themes in this book will make you incredibly uncomfortable or maybe even offend you. This book is only for the brave, the open-minded, and the ones who crave love in even the most dismal of situations. Extreme sexual themes and violence in certain scenes, which could trigger emotional distress, are found in this story. If you are sensitive to heavy taboo themes, then this story is not for you. Seriously, you've been warned. Don't say I didn't try. You're probably going to cringe many, many, many times. Even if you're on the fence, it's probably not a good idea to proceed. However, if you're intrigued and fearless and kind of sort of trust me, then carry on. This book is for you.

Trayis Laurann Dohner, 2019-05-13 Growing up mostly human in a Lycan pack has been hard for Shay. Shunned and distrusted by most, she wouldn't have survived without the support of her foster family and alpha. She's had a longtime secret crush on Trayis, her alpha's VampLycan half-brother. Shay thinks he's hot and finds the courage to approach Trayis during one of his infrequent visits. She's hoping for just one night of ecstasy before she spends her life alone, unwanted. Trayis is stunned when he realizes the sweet, timid Shay is interested in bedding him. He's also furious when some pack women attempt to humiliate her in front of him. He's more than happy to pick her over one of them. She might not be his type but it's just sex. He's up for that. What he doesn't plan on is how she makes him feel. So much for a simple vacation and a one-night stand.

The Dare Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up

at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Living a Life of Fire Reinhard Bonnke, 2021-12-04 Living a Life of Fire is more than simple facts about an evangelist's life, it is filled with adventures from the heart of Africa, real-life dramatic stories of people and places that will leave you on the edge of your seat, and powerful demonstrations of the Holy Spirit working in the here and now. An autobiography of the life of one of God's generals that has left a legacy that is still impacting nations today.

**Living Dead in Dallas** Charlaine Harris, 2010 When a vampire asks Sookie Stackhouse to use her telepathic skills to find another missing vampire, she agrees under one condition: the bloodsuckers must promise to let the humans go unharmed. Easier said than done.

**The Brit** Jodi Ellen Malpas, 2021-02-23 Rose Cassidy doesn't truly live; she just exists. Numbing herself to fear and pain is the only way she can survive in this cruel world. So when she's taken as collateral by the notorious Danny Black in a deadly game of power, she's thrown by the deep fear she feels rising within her. And, worse than fear, a profound desire. She's heard tales of The Brit. He's callous. Coldblooded. But no one ever said he was wickedly beautiful and darkly captivating. He sees past her mask, giving her a cruel sense of hope. But she must fight their twisted attraction or risk losing the one thing she survives for. When Danny Black took an enemy's beautiful lover as security, he never anticipated the repercussions. Or the warped attraction they would share. Rose Cassidy pushes Danny to the brink of madness with her impenetrable façade and savage allure. He has to remind himself that she's bait. A solution to a problem. Yet she evokes powerful feelings in Danny, and feelings are risky when you're wanted dead by endless enemies. The most dangerous game is about to be played. But can either of them win?

**Catching a Wave** Rory Dicker, Alison Piepmeier, 2016-02-01 Young women today have benefited from the strides made by grassroots social activists in the 1960s and 1970s, yet they are hesitant to identify themselves as feminists and seem apathetic about carrying the torch of older generations to redress persistent sexism and gender-based barriers. Contesting the notion that we are in a post-feminist age, this provocative collection of original essays identifies a third wave of feminism. The contributors argue that the next generation needs to develop a politicized, collective feminism that both builds on the strategies of second wave feminists and is grounded in the material realities and culture of the twenty-first century.

Organized in five sections that mirror the stages of consciousness-raising, this is an engaging, often edgy, look at a broad range of perspectives on the diversity, complexity, multiplicity, and playfulness of the third wave. It is also a call to action for new voices to redefine a feminism that is not only personally aware but also politically involved.

*Her Touch* Alexa Riley, 2018-05-18 Eli Strong got out of the military and all he wanted to do was get better. He never expected that the officer he was living with would have a daughter who tested his honor. Maggie Drummond has been moved around more times than she can count, and starting at a new high school sucks. But when a wounded Marine comes to live with her and her dad, suddenly Maggie figures out what home is. She's forbidden fruit, and he's trying to not to taste... But desire can only be denied for so long. Circumstances keep pulling them back together, and something truly unforeseen happens. Overnight, Eli becomes a guardian and Maggie his ward. Will Eli keep his hands off Maggie? Will Maggie like it if he doesn't? Will the two of them break the law because it feels so good? Only one way to find out! Warning: This book will make you ache in the best way possible! It's so sweet it's disgusting, and yet we just can't stop. It's a coming-of-age story that's just what the author ordered. Norwegian Wood Haruki Murakami, 2010-08-11 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, "a masterly novel" (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.
